Application admission and registration

Admitted

Once you have submitted your application it will be forwarded to the course coordinator to be reviewed, and on approval you will receive an admission email.

Registration

After payment has been processed, you will receive a self-verification email with a 4-step process to be followed to gain access to SUNOnline. Contact courses will automatically be registered without online access.

Apply

To apply for a short course, please follow the online application on our website: short-courses.sun.ac.za or use the specific link for your course provided by the short course coordinator.

Payment

On admission you will receive an email to request payment. Payment details are specific to you and your selected course.

Payment Forms:

1. Credit Card via a link
2. EFT
3. Cash Payments
4. Company Invoices

Certification

Successful participation! You will shortly be receiving the type of certificate and in the language preference that you selected on application.
